PAYMENTS / ENROLLMENTS:
All lessons are booked in blocks of x10

1. All courses must be paid for in full, in advance of the first lesson. Payments may be made either online, in cash or Debit or Credit card at Reception or over the telephone. For online payments please see the specific terms and conditions below.

2. Once a course of lessons has been paid for, no refunds can be made unless absence is caused by a serious illness which must be confirmed by a Doctor’s Note. We are unable to refund, credit or replace missed lessons that may occur for reasons such as sickness, holidays, transport difficulties, social events, holidays, work commitments, etc. In the event a course needs to be cancelled on medical grounds, a written request must be addressed to the Centre Manager accompanied by a Doctor’s note. In such cases a refund will be granted less the equivalent of two weeks fees which will be held as an Administration Fee.

3. Courses of lessons are not transferable from one family member to another unless agreed by the Centre Manager.

4. The School reserves the right to cancel a lesson or course at any time. In the event that a lesson is cancelled, the swimmer will be credited with the amount for that lesson which will automatically be added to their remaining lessons.

5. The School will use reasonable endeavours to provide the same instructor for each lesson within a 10-week course. However, relief instructors may be used without prior notification.

6. Instructors may change between each course of lessons.

7. Each swimmer must register with the instructor at the start of each lesson. All swimmers should be on the pool side at least five minutes before each lesson starts. Anyone arriving late must inform the Pool Complex Reception staff who will endeavour to assist in getting the child to their lesson.

8. Lessons that are 30 minutes in duration will be 25 minutes of actual teaching time with a five minute registration/administration time.

9. Lessons that are 60 minutes in duration will be 55 minutes of actual teaching time with a five minute registration/administration time.

10. If a swimmer has a medical condition, disability or any additional needs, this must be stated on the enrolment/registration form. All details will be held in strict confidentiality (Data Protection Act 1998) and will not be passed to anyone else. Any changes to a swimmer’s circumstances must be communicated to the School at the earliest opportunity to ensure that up-to-date records are maintained.

11. The use of camera, video photography, mobile phones and any other electronic tablet devices is strictly prohibited at all times within the LTS programme. This includes the viewing gallery, all changing areas and centre corridors where poolside is visible.
12. No swimmer should change on poolside. Swimmers must wear appropriate swimming attire, namely fitted costumes/trunks. The School advises against two-piece costumes on health and safety grounds. All children over the age of eight must use the changing room appropriate to their gender. If accompanying a child under eight into a changing room the correct changing room appropriate to the gender of the adult must be used.

13. For Health and Safety reasons a swimming cap must be worn by all bathers unless there is a known medical condition, and jewellery should not be worn during lessons.

14. All under eights must have a responsible adult that remains in the Pool Complex at all times. The School strongly recommends that parents and carers remain in the Pool Complex for the duration of the swimming lesson.

15. The School will not under any circumstances, accept responsibility or liability in respect of any damage to or loss of any goods, articles or property of any kind brought into or left at the Pool Complex.

16. During the standard operation of the swimming lessons, patrons wishing to watch family or friends who are participating must do so only in the designated spectator areas of the facility. Spectators are not permitted to remain on the swimming poolside unless specifically authorised to do so by the Centre Manager where there is a recognised need. Parents of swimmers should never distract the swimmers or the instructor during a lesson.

17. Queries regarding the lesson programme or an individual swimmers progress should be directed to the Pool Complex reception, which will then be passed to the lesson co-ordinator who will respond directly to the customer.

18. Places will initially be allocated to those swimmers already on the lesson programme. To secure a place for the next course on the allocated class, payment must be received before the last lesson of the current course.

19. Payment must be made before the start of the last lesson on your existing block of x10 sessions in order to guarantee the space for additional lessons. Failure to do this may result in you losing your space in the current class.

20. Class numbers are restricted and set by the School to ensure a quality teaching environment and are based on the Amateur Swimming Association’s Safe Supervision for Teaching & Coaching Swimming Policy.

21. The School reserves the right only to accept a swimmer into a class being taught at the level appropriate to them.

22. The School reserves the right to cancel a course and refuse to re-book a swimmer onto a course if the swimmer or their parent/ guardian/ siblings display unacceptable or inappropriate behaviour, including failure to comply with these terms and conditions.

23. If a swimmer or the parent of a swimmer has chosen the wrong course for the ability of a swimmer and an alternative class is offered and not accepted, a refund will not be given.

24. Swimming ability and speed of progression will vary depending upon the swimmer.

25. The lesson programme is 46-week programme delivered as 10-week courses with a 2 week break at Christmas, 1 week at Easter and 3 weeks in the Summer. New swimmers can join the course at any time subject to availability.

26. Swimmers who have achieved all of the outcomes within their current swimming stage will move onto the next level/stage as soon as practicable.

27. The School will issue STA badges and certificates to reward and motivate swimmers on the scheme.

28. When badges have been rewarded by the swimming instructor they will be available along with certificates to purchase from reception.

29. A minimum of three, one-to-one swimming lessons must be booked.
If you have queries regarding these terms and conditions, please contact 01902 340386 or visit the Pool Complex reception during the opening hours.

**POOL COMPLEX ETIQUETTE AND HYGIENE:**
Parents are not allowed on poolside unless invited by a member of staff.

Children are NOT allowed to run around the poolside and must be still and quiet while waiting for the lesson to start. Children will only be allowed access to poolside five minutes prior to the start of lessons and will be escorted by a member of staff.

Children who display disruptive tendencies in the lessons can greatly affect the other children and may be asked to leave as:

- It distracts other children from listening and learning
- It is dangerous for themselves and for others
- Rudeness and bad language will not be tolerated.

If a child continues to be disruptive, even after the teacher has pointed out that their behaviour is not acceptable, the child will be removed from the lesson and will not be allowed to return unless the parent can guarantee their behaviour. In these instances, no refund of monies paid will be given.

Please do not leave clothes in cubicles, use the lockers provided.

Please ensure that all property is locked in a locker and not left in the changing rooms or on poolside. The School is not responsible for items lost or damaged.

Pupils must enter the pool via the separate male/female changing rooms.

Customers are requested not to wear swimwear in the Café and other public areas of the Pool Complex.

The fire alarm is a continuous alarm noise. If it activates during the lesson, please do not come onto poolside to fetch your child. The pupils will exit the pool under the control of the teachers and Centre staff and will line up at the emergency assembly point on the pool car park. Parents are required to exit via the nearest emergency exit. Please do not use the lift whilst the fire alarm is sounding.
DO NOT ENTER THE CHANGING ROOMS OR TRY TO COLLECT YOUR CHILD BUT GO DIRECTLY TO THE EMERGENCY ASSEMBLY POINT ON THE POOL CAR PARK.

To ensure all can benefit from the facility:
- We recommend that all swimmers shower before their lessons. Please ensure that all hair gel/body lotions and make up, etc., are removed.
- Make sure that your child uses the toilet before the lesson commences. An accident in the pool closes the facility for 24 hours.
- Please ensure that your child showers after the lesson.

Please ensure swimmers do not eat for 1.5 hours prior to the commencement of their lesson. This will minimise the possibility of children vomiting during their lesson. After a vomiting incident the pool must be closed for 24 hours.
